

Evidence Collection Bags and Sealers

Standard Evidence Bags

Our standard evidence bags are available in a variety of sizes for storing and protecting all types of evidence. Seal the bags with heat or tape. They're made of 0.003" thick polyethylene and come in a package of 100.

CAT. NO.	DESCRIPTION	PRICE
9130	3" x 5" Evidence Bags	
9130A	4" x 9" Evidence Bags	
9130B	8" x 12" Evidence Bags	
9130C	12" x 20" Evidence Bags	
9130D	15" x 9" x 3" Evidence Bags	

Zip-Top Evidence Bags

These heavy-duty, 0.004" thick zip-top evidence bags are strong, extremely durable and can be reused or sealed with tape. Available in three sizes, they come in a package of 100.

CAT. NO.	DESCRIPTION	PRICE
9131	4" x 6" Evidence Bags	
9132	9" x 12" Evidence Bags	
9133	13" x 18" Evidence Bags	

Zip-Top Check Evidence Bags

These 4" x 9" x 0.004" bags are great for protecting checks of all sizes. They are economical and reusable, and can be opened and closed hundreds of times without harming the bag. Bags come in a package of 100.

Syringe Transport Tubes

These tubes are well-marked with bright orange international biohazard markings. One end of the tube contains a sealing material that will immobilize the syringe and prevent needle leakage. A label is also included inside the tube for evidence identification. The tube is 1" in diameter, 8" in length and has a 0.030" wall thickness

Evidence Collection Tubes

Ace's clear plastic evidence collection tubes feature an ethafoam stopper to immobilize the needle and protect evidence collection personnel. The tubes are 8" in length, 1 5/16" in outside dimensions and have an 0.030" wall thickness.

Large Evidence Collection Tubes

This container holds various sizes of evidence—including sharp objects such as knives and multiple syringes. Each tube has two end caps and an ethafoam insert for protecting sharp ends. Each tube is 3" in diameter, 12" in length and has 0.035" wall thickness.

"Solid" Material Evidence Collection Containers

These containers offer a unique method of preserving "solid" forms of physical evidence. Solids are collected and placed in cans. Once the lid is put in place, an airtight seal is formed preventing flammables and hydrocarbons from evaporating into the atmosphere. When the containers are delivered to the lab, they are heated and air samples are drawn off through the rubber septum contained in the lid.

CC6	66 qt. Container, 23 1/2" x 16 1/4" x 12 1/4"	

Evidence Collection Boxes

Evidence Collection Boxes

Some types of evidence require storage other than plastic bags. Try Ace's gun evidence box or miscellaneous evidence box. Made of 200-pound corrugated cardboard with a brown interior and white exterior, these boxes measure 14 3/4" x 7 7/8" x 2 1/4". They provide excellent storage on shelves in any storage room. Holes are provided on the bottom panel for securing evidence with Ace's No. 9145T evidence ties. Boxes are printed on the top-ready for evidence and chain of custody information.

CAT. NO.	DESCRIPTION	PRICE
9145	Miscellaneous Evidence Box	
91451	Gun Evidence Box	

Smaller evidence boxes provide excellent containers for the storage of metal, glass and other more fragile evidential items that do not warrant airtight protection.

CAT. NO.	DESCRIPTION	PRICE
91452	Evidence Box, 3 1/16" x 2 1/8" x 1	
91453	Evidence Box, 5 1/4" x 3 3/4" x 7/8"	

Rifle Evidence Box

These evidence boxes are pre-printed with a place for recording the necessary chain of custody and identification information on the outside of the box. An adjustable spacer holds shorter guns in place. Holes located in the bottom panel of the box are used to fasten the gun in place with Ace's releasable evidence ties.

CAT. NO.	DESCRIPTION	PRICE
91454	Rifle Evidence Box	

Knife Evidence Box

Boxes are pre-printed on the outside for recording necessary chain of custody and identification information. Holes located in the bottom of the box are used to fasten the weapon in place with releasable evidence ties.

CAT. NO.	DESCRIPTION	PRICE
91455	Knife Evidence Box, 16" x 3" x 2"	

Evidence Collection Boxes, Ties and Tape

Evidence Collection Boxes

Ace's evidence collection boxes offer an alternative for storing evidence. These 4" x 4¾" x 1" boxes are made of transparent plastic and come with a hinged catch that can be sealed with evidence tape or labels to ensure a high degree of integrity. Available in quantities of 10 or 50.

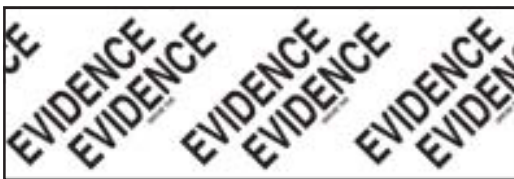

CAT. NO.	DESCRIPTION	PRICE
91441	Set of 10 Evidence Boxes	
9144	Set of 50 Evidence Boxes	

Releasable Evidence Ties

These ties are perfect for holding evidence in place when using Ace's No. 9145, No. 91451 or No. 91454 evidence boxes. The holes in the bottom panels of the boxes allow for the releasable ties to wrap around and secure the evidence in place. By pressing the releasing tab, these ties may be reused. Hook ties together for larger pieces of evidence.

Peel and Seal Integrity Evidence Bags

Ace's peel and seal integrity evidence bags are the best you'll ever use to store and protect evidence! These bags feature a tamperproof seal that secures your evidence from the time of collection to the time of analysis. The seal is permanent and can't be opened without destroying the bag. In addition, you can write on the bags, which are preprinted with an evidence and chain of custody label. Available in four sizes and come in packages of 100.

IEB1550	5½" x 15½" Integrity Evidence Bags	100	

Peel and Seal Personal Property Bags

Ace's personal property inventory bags are designed specifically for storing the personal property of those who are incarcerated. The 9" x 12" bags feature a tamperproof seal to ensure the integrity of all belongings.

The seal creates a permanent lock which cannot be opened without destroying the bag. The bags are transparent for easily viewing the contents. A perforated inventory tab attached to each bag may be removed easily and stored with the prisoner's file. Available in quantities of 100, the personal property inventory bags are packaged in a convenient dispenser box for easy retrieval.
