## Postmortem Fingerprint Kit

Use this kit for postmortem cases or for fingerprinting the disabled. Slide the fingerprint strips through the holder and record prints. The kit comes with 12 right-hand and 12 left-hand pressure-sensitive strips which stick to our 8" x 8" fingerprint record cards. Kit also comes with a Porelon® inker, a strip card holder and 10 ink cleaner towelettes. Non-pressure-sensitive strips of 90-pound card stock are available.
